

This is **EXCITING NEWS!** Our **ELEVATOR Renovation Project** is about to begin. The exterior portion will start as soon as the weather allows, mostly likely sometime mid-April. The interior and finishing portion will be completed by August 1, 2009. Now is the time that we need YOUR help and prayerful financial commitment to raise the \$125,000 required for this project. Please take time to review the examples below and pledge your generous support.

*Donations of \$500 or more may be commemorated with a brick engraved in honor or in memory of someone and used at the church.*
